

Volodymyr Metelytsia

Department of Structural Development of Farms and
Rural Areas,
**Leibniz Institute of Agricultural Development in
Transition Economies (IAMO)**, Halle (Saale), Germany

Department of Accounting and Consulting,
State Tax University, Irpin, Ukraine

Academic Experience (2005-2025)

National Agrarian University, Kyiv, Ukraine (2005-2008). PhD, defended in 2008

State Tax University, Irpin, Ukraine (2019-present). Professor of Department of Accounting and Audit

Institute of Agrarian Economics – from Junior to Leading Researcher, Kyiv, Ukraine (2008-2019). Doctor of Economic Sciences, defended in 2016

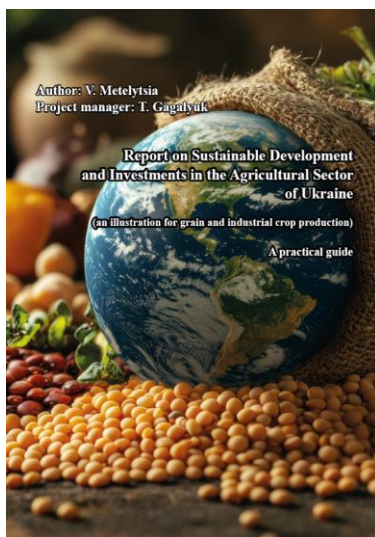

Leibniz Institute of Agricultural Development in Transition Economies (IAMO) – Research Associate, MSCA4Ukraine, Horizon Europe (06.2023-05.2025). Philipp Schwartz-Initiative (07.2025-06.2027)

MSCA4Ukraine project (06.2023-05.2025)

Topic: “Sustainability reporting and access to capital [for post-war recovery] of agricultural enterprises in Ukraine”.

Objective: To develop a sustainability reporting system to attract green investments for the post-war recovery of Ukraine’s agricultural sector, based on the principles of reduction of environmental impact, social responsibility, and integration into European markets.

ESGI-Report

Main Results:

Sustainability Reporting Platform (SR-Platform) developed – a public online platform for reporting, training, and analytics.

Practical guide “Report on Sustainable Development and Investments in the Agricultural Sector of Ukraine” (ESGI-Report) with templates of sustainability indicators.

Six webinars conducted for 1,100 Ukrainian agricultural enterprises.

13 scientific papers and **2 conference abstracts** published.

Presentations delivered at the 189th and 190th European Association of Agricultural Economists (EAAE) Seminars (2024).

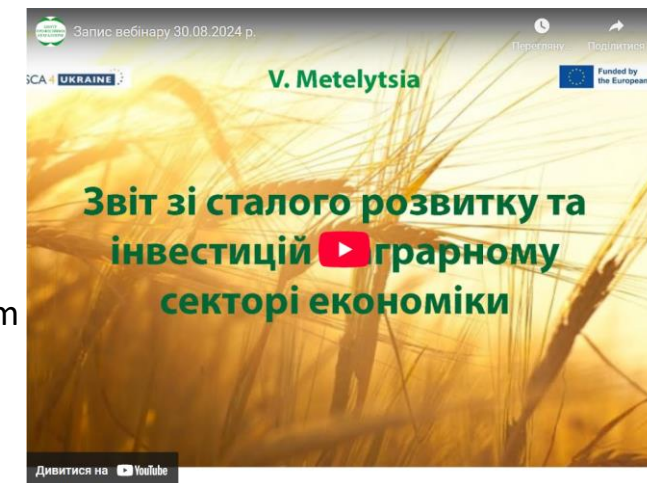

Advanced research methods studied with the Swedish University of Agricultural Sciences (Uppsala, Sweden), including the Discrete Choice Experiment (DCE).

Professional practice completed at IAK Agrar Consulting GmbH (Leipzig, Germany) and RISE (Bern, Switzerland).

Project developments officially presented to the Ministry of Finance of Ukraine, the Ministry of Economy of Ukraine and stakeholders in Germany and Switzerland.

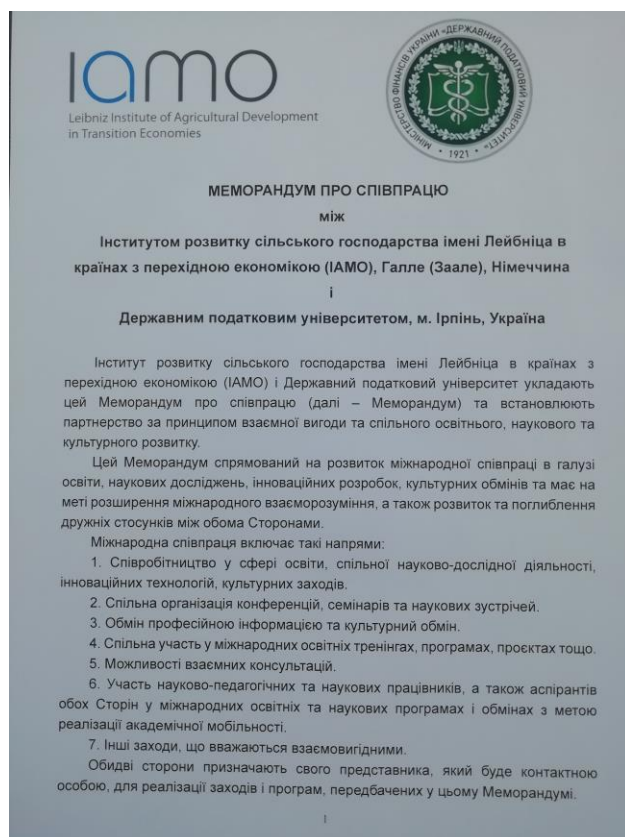

Research network established through participation in Philipp Schwartz Forums (2024-2025), Inspireurope Forums (2024-2025), and IAMO Forums (2023-2024).

Project progress regularly updated on the websites of IAMO and STU, as well as on social media.

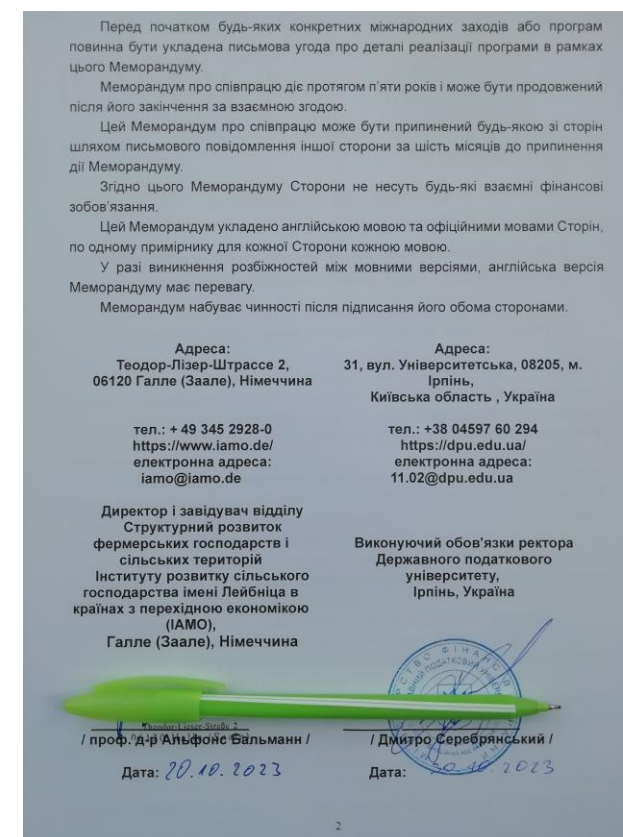

Memorandum of Cooperation

In **October 2023**, the **Leibniz Institute of Agricultural Development in Transition Economies (IAMO)** and the **State Tax University (STU)** signed a **Memorandum of Cooperation**.

The areas of international cooperation include:

1. Collaborative education, joint research activities, innovation technology, and cultural events.
2. Joint organization of conferences, seminars, and academic meetings.
3. Exchange of professional information and cultural exchange.
4. Joint participation in international training courses, programs, projects, etc.
5. Consulting opportunities.
6. Participation of teaching staff, researchers, graduate students of both parties in international scientific and education exchanges, and programs to realize academic mobility.
7. Other activities as deemed mutually appropriate.

Secondment Agreement

From **December 2023 to May 2024**, a **Secondment** took place within the framework of the **Secondment Agreement** between the **IAMO** and the **STU**
